OFFICE OF THE COMPTROLLER TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE

No 334 LAD

Bangalore, dated 8th April *1934*

From

M VENKATESA IYENGAR, Esq, MA
Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore

To

R. Ranga Rao, Esq., B.A , B L.,
Chief Secretary to the Govt of Mysore,
Bangalore

GE 10 APR. 1934
L.S.G. BRANCH.

Sir,

I have the honor to state that under Articles 82 to 86 P W A.C. the authority competent to sanction the estimate for a whole project or work has power to sanction estimates for component parts and extensions thereof, whatever be the nature of such component part or extension. This is made applicable to works carried out by the Government Public works Department There is no such rule in the L.S.G. applicable to Municipalities and the result is that authorities lower than Government are apt to sanction estimates for component parts. For instance, the Bangalore City Municipal Council recently sanctioned under Article 242 (i) M.A.M an estimate for Rs4,000/- for constructing a compound wall for the New Municipal Office for which the estimate costing over a lakh of rupees has not yet been sanctioned by Government and hence the construction of the building itself is not yet taken up On the analogy of the rule referred to above, the estimate for such a work in the Public Works Department requires the sanction of Government but this cannot be enforced in audit in Bangalore City municipality in the absence of an express rule to this effect in the M.A.M I therefore propose the insertion of the undernoted rule as Rule 241 A -M.A.M and request that sanction of Government be obtained to it.

"Works which are essentially incomplete without additions and extensions and which together with such additions and extensions would exceed the powers of the Municipal Council or Deputy Commissioner require the sanction of the Deputy
